CLASSROOM 105, OUR FOURTH 100 PER CENT CLASSROOM

### THE AMERICAN BOY

"What we have a right to expect of every American boy is that he shall turn out to be a good American man. Now, the chances are strong that he won't be much of a man unless he is a good deal of a boy. He must not be a coward or a weakling, a bully, a shirk, or a prig. He must work hard and play hard. He must be clean-minded and clean-lived, and able to hold his own under all circumstances, and against all comers. It is only on these conditions that he will grow into the kind of a man of whom America can really be proud. In life as in a football game, the principle to follow is hit the line hard; don't foul and don't shirk, but hit the line hard."—Theodore Roosevelt.

What is the meaning of these words to you? Are they a jumble of words without any meaning, or are they thoughtful words with each word meaning something? Can you apply these two small paragraphs to your-

self and see if **you** do as President Roosevelt thought a 100 per cent American boy should do. If not, why not?

Are **you** a coward, a weakling, a bully, a shirk, or a prig? Do **you** play hard and study hard, or do you take life easy? Do you persevere when you have a hard job before you, or do you give up?

Do you ever expect to become a good American man if you are not much of a boy? If you settle down, play hard, work hard, study hard, hold your own under all circumstances, persevere, and be fair and square, you will in time become a man of whom America will be proud.—Schmarya Zameres.

We have a right to expect that every American boy should become a worthy American citizen. He won't be such, however, if as a boy he is always afraid to fight, or if he is a bully picking on smaller boys than himself. If he has a task he must stick to it until it is finished. Not
